ABOUT US

QLD Stoma Association Ltd (QSA) is a non-government not for profit organisation providing information and support to persons living with an ostomy in our community as a result of bowel or bladder surgery.

The objective of QSA is to promote the wellbeing of all people who have a stoma. We provide assistance, support, information and encouragement concerning all aspects related to stoma care and to living with a stoma. A major part of this work is to distribute stoma appliances funded through the Commonwealth Governments "Stoma Appliance Scheme".

The Association is a self help organisation governed by a Board of Directors who are elected by members. The operational functions of the association are managed by a small team of employees experienced in the requirements of Stoma Appliance Scheme claiming and administration. Our team is supported by an amazing group of volunteers. New volunteers are most welcome.

ANNUAL SUBSCRIPTION 2023/2024

SAS Access Fee:

- Non concession \$75
- Concession \$65 (a *Valid Centrelink Issued Healthcare or Pension card must be presented*)

Members joining the association for the first time between January and June will pay a reduced Access Fee of \$45 full membership or \$40 for Commonwealth Concession Card Holders.
