#### **Important information for 2021:**

- *Due to the increasing risks to cyber security, QLD Stoma Association will be phasing out email ordering during 2021. Orders should be placed through our members online ordering portal where possible.*
- *Annual subscriptions are due on 30 June 2021. The annual subscription for 2021/2022 is \$70 for non concessional members, or \$60 for members who provide a copy of their commonwealth issued concession card (copies can be submitted through our members online ordering portal)*
- *To avoid delays in supply because of our end of financial year stocktake and our Christmas closure, members should place their June/July orders and their December/January orders as one double order. Members adopting a two month ordering cycle should place their order for supply in every "even" month (Feb, April, June, August, Oct, Dec)*
